CENTRAL INTELLIGENCE AGENCY

For activities of the Central Intelligence Agency, notwithstanding any other provision of law, in addition to amounts otherwise available, $21,000,000 to remain available for obligation until September 30, 1984.

This proposal would provide funds necessary to continue certain activities of the Central Intelligence Agency which the President has determined are important to the national security. This proposal would increase 1984 outlays by $21 million.
